8th RSC / SCI Symposium on GPCRs in Medicinal Chemistry

Wednesday-Friday, 5th-7th October 2022

Evotec Campus Levi-Montalcini
Verona, Italy

Organised by:

RSC Biological and Medicinal Chemistry Sector and
SCI Fine Chemicals Group

8th RSC / SCI Symposium on GPCRs in Medicinal Chemistry

Synopsis

The key role of G protein-coupled receptors (GPCRs) in human disease underpins their importance to modern medicine. We are pleased to be holding this 8th meeting in the series on GPCR drug discovery, which will combine cutting edge medicinal chemistry with innovative structural biology and novel drug design approaches.

The meeting will consist of:

- Case studies in GPCR drug discovery and development
- Structural biology advances and impact on drug design
- Showcasing multiple modalities and drug discovery approaches to modulating GPCRs

Also: poster session - trade exhibition opportunities - two evening dinners and vineyard visit - accommodation agency booking service.

Confirmed Speakers

Please refer to our website for updates
Structure-based drug discovery across the medicinal chemical GPCRome - **Chris de Graaf**, Sosei Heptares, UK

The resolution revolution: GPCR structure-based drug design in 20:20 vision (in 2022) - **James Errey**, Evotec, UK

Roadmap and resource for GPCR biased signalling - **David Gloriam**, University of Copenhagen, DK (virtual)

GPCR-based drug design with fragment molecular orbital method - **Alexander Heifetz**, Evotec, UK

Organising Committee

Daniele Andreotti, Evotec
Adrian Hall (co-chairman), UCB
Duncan Hay (treasurer), Vertex
Caroline Low (co-chairman), Consultant
Nigel Swain, Sosei Heptares

Secretariat Contact

To register an interest and to be notified when registration is open, please contact the event secretariat: Maggi Churchouse, maggi.churchouse@rscbmcs.org

Call for Abstracts

Abstracts are invited for both oral and poster presentations, and poster applicants have the opportunity to provide a short flash oral presentation. Closing dates are 31st January (oral) and 11th August (poster).

Students and Bursaries

Discounted rates will be offered to RSC and SCI student members and some bursaries will be available.

Exhibitor Opportunities

Information about exhibitor opportunities will be publicised in due course.

Sponsors

We are grateful to Evotec for their generous support of this event. Additional sponsors would be welcomed.
